Business Advanced Level

Exam Short 2023 | Sunderland Furniture Centre

Specification Reference 3.3.2 (Investment Appraisal)

Extract A

Sunderland Furniture Centre

Sunderland Furniture Centre is a family run furniture store located in Fulwell, Sunderland. The business sells leather and fabric upholstery, dining and bedroom furniture including beds. The directors of the business are considering expanding and moving to bigger premises. This will allow them to stock a much wider range of furniture. The cost of the expansion is estimated to be £800,000.
