

Summer Transition English Literature Week 2

Dear Lit students,

I hope you have engaged with the work set for Transition into English Literature from Week 1.

This week we want you to read though the attached Transition Booklet from pages 1-12.

Your tasks are to:

1. Produce a Mind Map called: Why study Literature? Use your reading of pages 1-3 to help you complete it. (be as creative/colourful as you can)
2. Produce a set of notes to memorise your Year 13 exams information: It's very important to memorise the course structure and the exams you will eventually take. Read through pages 5-8 which gives you an outline of your A level course and exams you will take in Year 13. (You will also do AS exams in Year 12 but the texts are the same minus Othello and Rossetti poetry.
3. Read the information about set texts and equipment needed for the course. Get familiar with what you will be studying and try to start reading/researching the texts on pages 9 and 10. Begin preparing by purchasing the stationary you will need for the course.
4. Final task: complete the questionnaire on Page 11. Do it carefully and thoughtfully as we really want to know what interests you in Literature.

Keep all your work and notes together and complete this work by Monday 25th May.

Good luck:

Mr Cornick and Mrs Parker.
